About HM Machinery: <https://www.tinknocker.com/product-category/hmmachinery/>

Founded in 1968, HM Machinery is a key Tin Knocker partner. They bring 55 years of manufacturing experience to the partnership, and we are proud to offer their high-quality products to our customers. HM Machinery products are manufactured at their facilities in Denmark and Poland, where their quality standards and innovative designs are combined to produce robust and high-quality metal working machines.

Sell your SURPLUS USED HVAC Machinery to TAAG Industries:

We are always looking for quality HVAC sheet metal working machinery. Please contact TAAG if you have a machine that you are no longer using & turn your idle equipment into cash today.
